In case of the absence of any of the above, Candidates should submit a self-attested copy of valid Institutional Identity Proof.

## **Guidelines for Interns**

1. Every student/Intern should fill in the “Application Form” provided by CESS before starting the project work.
2. Every student/intern is required to undertake a project work for a minimum of four weeks (one month). The maximum period will be 3 months upon the approval of the Head of the Institution on a case to case basis.
3. The internship will be full time and physical presence of the intern is mandatory. However, we shall offer internship in blended mode on case to case basis.
4. The Internship will be pursued under the guidance of an identified guide/mentor by CESS, who shall identify an external mentor also if found necessary.
5. The project work must be a study on live problem or an issue directly or indirectly linking to the vision of CESS. This could be in the nature of desk study or afield study or extension work or preparation of detailed project report of an idea or exploration of a solution to the problem or implementation of an idea or a project or of any other which reflects the spirit of the regulations. A mini research or collection and/or analysis of primary and secondary data, or a case study can also be undertaken.
6. The live problem or an issue undertaken by student could relate to an organization or general in nature, which is not specific to any one organization. This includes inter-organization or comparative studies also.
7. During Internship, the activities of the Intern shall include the following (The list is not exhaustive)
  - a. Primary research tasks, literature survey, review, report, working paper etc.

- b. Attending meetings and other programs on related issues and represent CESS at public events.
  - c. Interview multi-stakeholders related to education/concerned field; incorporate findings and recommendations into reports.
  - d. Educational outreach.
  - e. Contribute to general Institutional work.
8. The project report must broadly consist of statement of problem, need and relevance of the study, methodology of the study, data analysis, and detailed account of work done with date, conclusion / finding, recommendations/suggestions, experiences and learning. Variation in the above content is permitted depending upon the nature of the project work.
  9. The project report should be in either in English language or Kannada Language.
  10. CESS will provide neither stipend nor technological support like Computers; etc. for the project work and it is the responsibility of the student to arrange for such infrastructural support. The Management team of CESS has the discretion to consider the amount of stipend to be paid in case there is a need. However, cost incurred by the Intern on the assigned Institutional work / CESS Project field work etc. will be reimbursed as per the Institutional Policy.
  11. The Interns will have access to Library for reference and study.
  12. One hard copy and soft copy of final report are to be submitted to CESS.
  13. The Intern should take the onus of the Original Project work undertaken at CESS. Any kind of plagiarism act will not be acceptable to the Institution, and this will be construed as misconduct.
  14. Disciplinary action may be taken against the Intern for a proven misconduct.
