## ABOUT CESS

Centre for Educational and Social Studies was established in 2006. CESS is driven by the vision to bring about “Social Transformation through and with Education”. The Centre has strived to draw the attention of stakeholders, including State and Central Governments, on vital issues of education through Research, Policy Advocacy and Capacity Building Programmes. We are actively engaged in various research pursuits and has successfully completed several projects in the area of education, social sciences, culture, and Indic studies.

## A COURSE ON TECHNOLOGICAL TOOLS FOR RESEARCH

We are launching a Comprehensive technological tools-based research course for developing essential skills and knowledge required to conduct rigorous and impactful research.
